Part 1 - General Information

SECTION 1

Account Opening

Account Opening Procedures

Under the AML/CTF Act 2006 DNISTER must identify any person opening a new account.

The identification requirements can be satisfied by providing a combination of the following documents when opening your account:

- Drivers licence
- Credit card
- Medicare card
- Electricity, gas or telephone bill
- Current rates notice
- Birth certificate, or
- Passport, or
- Citizenship certificate.

Some other documents that establish your identity and name will also be accepted. Ask DNISTER staff to help you with this requirement.

Taxation Implications

Income Tax

Under the Income Tax Assessment Act 1997 as amended, tax may be payable on any interest earned on monies deposited to your account.

Tax File Number

Commonwealth law provides that all accounts earning credit interest in a tax year may be subject to Tax File

Number (TFN) legislation. It is not compulsory for you to provide your TFN. However, if you choose not to do so, DNISTER is required to deduct withholding tax from any interest earned unless you are in an exempt category. Withholding tax is calculated at the highest marginal tax rate plus Medicare Levy.

DNISTER will preserve the confidentiality of your TFN, which can be recorded for all your accounts, in accordance with the Privacy Act 1988 as amended.

Where you are tax resident of a country other than Australia, we ask you to disclose certain information (such as your Tax Identification number (TIN)) under division 396 of the Taxation Administration Act 1953 as it relates to all non-residents (Common Reporting Standard) and United States residents and citizens (Foreign Account Tax Compliance Act).

Joint Accounts

Accounts may be conducted jointly with another person or persons subject to the following conditions:

- Unless specific arrangements are made, anyone of the parties to the account may conduct transactions independently of the other;
- Deposits may be accepted which are payable to one or both of the account holders;
- The liability for debts or overdrawn amounts is both joint and individual;
- If one of the parties should die then any remaining credit balance shall be paid to the survivor in accordance with applicable laws and our policies;
- You can specify who can operate the account and how many signatures are required with any change to be in writing;
- If DNISTER is notified of a dispute between joint account holders, we may require all joint account holders to sign an authority to operate the account; and

- DNISTER can send statements of account, changes to the PDS and other notices by mailing them to the first named account holder at the address recorded by DNISTER for the service of notices.

Trust Accounts

Trust accounts can be opened on request:

- Where one or more persons open an account in which they are named as trustee for another person(s). For example, a trustee account held by parents for children;
- By trustees under a will; or
- By trustees for clubs and other organisations.

In addition to identification documents referred to previously, we may require you to present an original Trust Deed, Will or other instrument confirming the basis for operation of the account.

Disruption of service

You should be aware that occasionally a banking service may be disrupted. A “disruption” is where a service is temporarily unavailable or where a system or equipment fails to function in a normal satisfactory manner. DNISTER will correct any incorrect entry made to your account and will adjust any fees or charges applied as a result of that incorrect entry.

To the maximum extent permitted by law, DNISTER will not be liable for any loss or damage, including consequential loss or damage, suffered because of a disruption. This disclaimer of liability does not apply to electronic banking transactions (refer to Section 5 Specific Terms and Conditions for Electronic Banking).

SECTION 2

Account Operation

Authority for account operation

When you open an account with us you nominate the persons who are authorised to operate the account. Except where expressly provided, DNISTER can act at all times on the basis that the authorised operator or operators can act fully and effectively in all dealings, matters and transactions in respect of the account.

You are responsible to DNISTER for all liability that is incurred as a result of operations on the account. If you wish to alter the account authorisation instructions then you must notify DNISTER in writing.

Deposits

Deposits may be made to accounts:

- In person at one of our branches;
- In person at a Westpac Bank branch or Westpac Group which includes Bank of Melbourne, St George Bank, or BankSA (a fee may be charged);
- In person at Bank@Post outlets (CUECARD or Visa Debit card);
- By direct credit, Osko or Internal Transfer;
- By inward electronic transfer;
- By mail (excluding cash);
- By transfer using Digital banking;
- By transfer using email or fax; or
- By transfer from an overseas point.

Cheques

How long does it take to clear a cheque?

Usually five to seven working days, however you will generally be able to draw on the funds after three working days. When you pay a cheque into a DNISTER account, DNISTER may allow you to draw on the cheque before it has cleared but you will be liable for the amount of the cheque if it is subsequently dishonoured.

What if the cheque is dishonoured after I have drawn on the funds?

DNISTER will debit your account by the amount of the cheque and may also charge you a dishonour fee.

'Crossed' cheques

A cheque with two parallel lines across it is a 'crossed' cheque. When you cross a cheque, you are telling the payee's financial institution that the cheque must be paid into an account with a financial institution and not cashed.

'Not negotiable' cheques

The words "Not Negotiable" between two parallel lines protect the true owner of a lost or stolen cheque. They ensure that the recipient of a cheque obtains no better rights to the cheque than the person who passed the cheque.

For example, if your cheque has been stolen and passed by the thief to an innocent person, you will be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) this is because the thief had no right to the cheque and therefore passed no rights to the innocent person.

'Account payee only'

If you write the words 'Account payee only' on a cheque, you are directing the bank collecting the cheque to only pay the cheque into the account of the person named on the cheque.

'Or bearer' and 'or order'

The words 'Or bearer' and 'or order' mean that a financial institution may pay the cheque to whoever is in possession of the cheque, not only to the person named on the cheque. If you delete these words, the cheque becomes an 'or order' cheque. A cheque payable 'to order' means that if the payee wants to transfer the cheque to another person, they must first sign the back of the cheque. You must delete the words 'or bearer' and replace them with 'or order' to make the cheque an 'or order' cheque.

Third Party Cheques

If you present a cheque which is payable to someone else or it appears to belong to someone else (third party cheque), DNISTER may, at its discretion, refuse to accept

that cheque for deposit or refuse to cash it or may require you to comply with some conditions before it will accept that cheque for deposit or cash it.

Stopping a cheque

You may stop a cheque that you have written by telling DNISTER the following:

- the amount of the cheque;
- the number and date of the cheque; and
- the name of the payee.

A stop payment fee may apply. If you have lost a cheque you received from someone else, notify that person so they may stop the cheque. All requests to stop a cheque must be confirmed in writing.

Tips for cheque security:

- don't leave gaps between words.
- begin the amount in words as close as possible to the left hand side and add 'only' to the end of the amount.
- begin the amount in figures as close as possible to the dollar sign and put a line after the last figure.
- never use pencil or erasable ink.
- only sign a cheque when it is filled out.
- always write the amount in words and figures.
- check your bank statements regularly to reconcile cheques drawn on your account.
- make sure you have correctly dated the cheque.

When may a cheque be dishonoured?

At DNISTER's discretion, a cheque may be dishonoured where:

- there are insufficient funds in the account of the drawer;
- the cheque is more than 15 months old;
- the cheque is unsigned;
- the cheque is future dated;
- the cheque has been materially altered and the alteration has not been signed;
- there is a legal impediment to payment;
- the cheque has been stopped; or

- the paying bank has been notified of the mental incapacity, bankruptcy or death of the drawer.

DNISTER may charge a dishonour fee.

Lost or stolen cheques

Keep your cheques safe at all times. If they are lost or stolen, you must take the following action:

- cheque payable to you - tell the person who wrote the cheque;
- cheque written by you - request DNISTER to stop the cheque and tell the person to whom the cheque is payable (your verbal request to stop a cheque must be confirmed in writing);
- lost cheque book - tell DNISTER to put a stop payment on the serial numbers. If you subsequently find the cheques, DNISTER will require written authorisation from you before the cheques can be paid.

If you don't inform DNISTER that your cheque book has been lost or stolen as soon as possible, you may be liable for transactions incurred by you before you notify DNISTER, even if they are made without your authority.

Corporate Cheques

Corporate cheques are DNISTER cheques issued at the request of members who do not conduct a cheque account facility. They are used to meet day to day expenses the member may have. A fee may apply depending on the number of cheques issued on behalf of a member each month. Refer to our Fees and Charges Schedule for details.

Bank Cheques

Bank cheques are cheques instructing payment from the issuing bank rather than from a member's account. They are designed to provide an alternative to carrying large amounts of cash when a personal cheque is not acceptable. Bank cheques are usually requested because of the higher likelihood that they will be paid. However, bank cheques should not be regarded as equivalent to cash. DNISTER does not provide bank cheques in its own right. DNISTER can obtain bank cheques on behalf of members from Westpac Banking Corporation or one of its subsidiaries. A fee is charged for this service. A bank cheque may be dishonoured if:

- The bank cheque is forged or counterfeit;
- The bank cheque has been fraudulently and materially altered;
- A fraud or other crime has been committed;
- The bank cheque has been lost or stolen;
- There is a court order restraining the issuing party from paying a bank cheque;
- The issuing bank has not received payment or value for the issue of the bank cheque, or
- The bank cheque is presented by a person who is not entitled to the proceeds.

If a bank cheque is lost or stolen, a replacement cheque can be issued in certain circumstances for a fee.

Withdrawing or transferring money

Withdrawals from accounts may be made:

- In person at one of our branches;
- In person at Bank@Post outlets (CUECARD or Visa Debit card required);
- In person at various other credit unions or mutual banks;
- By personal cheques (if member chequing is available on your account refer to Part 4, Section 2);
- By Automatic Teller Machines (ATMs) and Electronic Funds Transfer at Point of Sale (EFTPOS) terminals (CUECARD or Visa Debit card required);
- By authorised direct debits (refer: Part 4, Section 2);
- By authorised periodical payments (refer: Part 4, Section 2);
- By Digital Banking (refer: Part 4, Section 1);
- By authorising a third party in writing to have access to your funds; and
- By email, mail or fax authority.

Account Combination

If you have more than one account (including a loan account) with DNISTER we may set off the credit balance of any of your deposit accounts against any debt owing by you to DNISTER from time to time. This means that we can transfer money from one account to another if one of those deposit accounts is overdrawn without prior authorisation or if a loan repayment has not been made.

Overdrawn Accounts

You cannot overdraw your account without our prior agreement. Any amount overdrawn without our prior agreement is repayable immediately. We may, at our discretion, allow the overdrawing of an account and impose a fee each time we permit an account to be overdrawn.

Change of Account Details

Members should notify DNISTER promptly of any changes to their account details, including authorised signatories, name and/or address, email address, change of telephone numbers or facsimile number. DNISTER will not be responsible for any errors or losses associated with changes to a member's account details where DNISTER has not received prior written notice.

Closing Accounts

Members are to provide DNISTER with written instructions signed by the authorised signatories to close an account. All unused cheques and access cards must be surrendered prior to closure. All direct debit and direct credit authorities attached to the account shall be cancelled or alternative arrangements made.

Dormant Accounts

In accordance with the Unclaimed Monies section of the Banking Act 1959 (Commonwealth), if you have not operated your account for a period of more than 12 months, the account will be classified as dormant and an annual maintenance fee may be charged. No interest is paid on dormant accounts after 36 months. An account classified as dormant may result in your membership being terminated. However, you can apply to have your membership reinstated.

Provision of credit

DNISTER does not agree to provide any credit in respect of your account without prior written agreement, which (depending on your account type) can be provided through an Overdraft Facility.

It is a condition of all DNISTER accounts that you must not overdraw your account without prior arrangements being made and agreed with DNISTER.

Please contact us if you wish to apply for an Overdraft Facility and we will provide you with an application form.

If you request a withdrawal or payment from your account which would overdraw your account, DNISTER may, at its discretion allow the withdrawal or payment to be made on the following terms:

- Interest will be charged on the overdrawn amount at the Unauthorised Overdrawn Accounts variable lending rate. (refer to our latest Interest Rates Schedule – Loans and Overdrafts);
- An Excess Fee may be charged for DNISTER agreeing to honour the transaction which resulted in the overdrawn amount. Refer to our latest Fees and Charges Schedule for details;
- The overdrawn amount, any interest on that amount and the Excess Fee will be debited to your account; and
- You must repay the overdrawn amount and pay any accrued interest on that amount and the Excess Fee, within seven days of the account becoming overdrawn.

You should inform DNISTER as soon as possible if you are in financial difficulty.

Account Statements

DNISTER will issue statements for your account (except DNISTER Term Deposits) at least once every six months and more often if either you or DNISTER require. The statement may be either posted to you or if you elect, issued as an eStatement which is accessible via www.dnister.com.au. A fee will apply if you require multiple statements, historical or duplicate copies of statements, or paper statements for frequencies that are not covered by our legal obligations. Refer to our latest Fees and Charges Schedule for details.

You must carefully review your statements so you are aware of the status of your account. If you believe there are errors or unauthorised transactions you must contact DNISTER as soon as possible. Confirmation of all transactions made on your account shall be contained in the periodic statements. You may also obtain up to date transaction details by using Digital Banking, provided you have arranged prior access to these facilities.

SECTION 3

For the Everyday Access*, Community Access* and Pensioner Saving Accounts, interest will be calculated on the minimum monthly balance and paid monthly. For the Bonus Saver, Community Saver^ and iSaver Accounts, interest is calculated daily and paid monthly.

A tiered interest rate applies to the Pensioner Saving Account. A tiered rate means you will earn different interest rates depending on the balance of your account.

* For the Everyday and Community Access Accounts, interest is only paid on balances over \$50,000.

^ Community Saver also has the option of beneficiary interest, which is calculated daily and paid to the nominated organisation in July each financial year.

Government Charges

DNISTER reserves the right to debit your savings account with any applicable government charges, including any government charges introduced after the account has been opened.

Community Saver

Note: If for any reason your account does not have an eligible community beneficiary a beneficiary interest payment will not be paid.

Community Beneficiary Payments

If you have a Community Saver Account with an eligible community beneficiary, then in addition to paying you

interest, DNISTER will in July of each financial year make a payment, called a beneficiary payment, to your nominated eligible beneficiary's account.

The beneficiary payment will be calculated at the end of the financial year. This calculation is based on the average daily balance of your Community Saver Account during that financial year and the current beneficiary rate published in our Interest Rates Schedule – Savings and Transactional Accounts, from time to time.

How to nominate a Community Beneficiary for your Community Saver Account

To nominate an eligible community beneficiary for your Community Saver Account, you will need to complete your preference on the account application.

An eligible community beneficiary is a not for profit organisation that has made a successful application to DNISTER. A list of registered eligible community beneficiaries is available on application or may be accessible on DNISTER's website (www.dnister.com.au).

If the beneficiary for your Community Saver Account is no longer eligible for whatever reason, beneficiary payments will cease. We will tell you if this occurs and you can then nominate another beneficiary.

How to change the community beneficiary for your Community Saver Account

You can change the community beneficiary for your Community Saver Account whenever you wish, by nominating your new preference. The beneficiary payment cannot be apportioned and the full payment is made to the current beneficiary as at 30 June each year.

How to apply to be registered as an eligible Community beneficiary

To be eligible to receive beneficiary payments, organisations need to operate as a not for profit organisation and meet the eligibility criteria available on application. Subsidiary organisations may also apply to receive beneficiary payment, however they will require authorisation from the primary ABN holder.

Community Access

This account is only available for not for profit organisations. Where a subsidiary / branch of the not for profit organisation wishes to apply to hold a Community access account and beneficiary status, the primary ABN holder authorised signatory(s) must also sign the application documentation.

DNISTER, in general, defines a not for profit organisation in accordance with the Australian Tax Office guidelines. For more details, visit www.ato.gov.au.

Part 3 - Investment Products Specific Information

Fixed Term Deposits

Is a Term Deposit suitable?

A Term Deposit may be appropriate for those who do not need immediate access to their money and are looking for a competitive interest rate that is guaranteed not to change for the whole of an agreed fixed term.

Minimum Requirements

Fixed Term Deposits are fixed interest-earning accounts with agreed terms from one month to two years. The interest rate is fixed for the agreed term subject to you accepting the following conditions:

- Minimum deposit of \$1000;
- Fixed period of investment;
- No additional deposits during term of investment;
- Interest is calculated on the daily balance and paid on maturity;
- Interest can be paid by cheque or in cash, electronically transferred or credited to your nominated DNISTER account; and

- Your funds are locked in for the agreed fixed term and 31 days' notice is required if you need to withdraw before maturity (subject to an interest rate penalty of 2.00% per annum being applied to the amount withdrawn). If you think you may have a need to immediately access your money, other savings accounts may be more suitable.

Major Benefits

- The interest rate is fixed for the term of investment and remains unchanged during the investment period despite any decrease in official interest rates during that period
- Higher interest rates will be available for larger deposits
- You may be entitled to payment under the financial claims scheme. Payments under the scheme are subject to a limit for each depositor (currently \$250,000). You can obtain information about the scheme from the Australian Prudential Regulation Authority (APRA) website at www.apra.gov.au and the APRA hotline on 1300 13 10 60.

Major Risks

- The interest rate is fixed for the term of the investment
- Official interest rates may increase during the term of the deposit
- Funds are not accessible to early withdrawal by you, unless agreed to by us
- Any early withdrawal may be subject to prepayment costs being applied to the amount withdrawn.
- An interest rate penalty may apply should funds be withdrawn or the investment terminated prior to maturity
- Additional investment funds only at maturity
- Funds may be reinvested for the same term at the prevailing interest rate if you fail to provide your instructions within 7 days after the maturity date

Conditions of Deposit

- DNISTER has the right to accept or refuse any deposit and to set the maximum or minimum

amounts of a deposit and the term of the deposit;

- Any withdrawal of funds prior to maturity requires DNISTER's agreement and the agreement may be subject to an interest rate penalty adjustment if you redeem your funds prior to maturity.
- If an investment is not renewed upon maturity, the amount of the deposit may be credited to your nominated account, withdrawn in cash or cheque.
- Term Deposits opened or renewed on or after 24 February 2017 - you will need to give us 31 days' notice.
- The penalty interest rate for funds withdrawn prior to maturity does not apply to Term Deposits held in the name of a deceased account holder or in the name of a deceased account holder's legal personal representative.

Investment Deposit Receipt

When you make the initial investment deposit, DNISTER will issue you with a 'Certificate of Deposit'. If application is made by mail the Certificate will be posted to you the same day.

Reinvestment

DNISTER will contact you prior to maturity of your deposit. Unless DNISTER receives instructions to the contrary the deposit will be renewed for the same investment type and term commencing on the maturity date of the original deposit and at the prevailing interest rate.

You have 7 days from the date of maturity to vary the investment, add to the deposit or redeem in part or in full, without penalty. If you do not exercise this option the deposit will be invested in terms of the original instructions. You will need to provide DNISTER written confirmation of your instructions signed by the proper account signatories.

Withholding tax will be deducted from the interest payment unless you have provided your Tax File Number, Exemption or ABN.

Early Withdrawal (Prepayment)

If you need to withdraw money during the term, you may request withdrawal of all or part of your funds by giving

DNISTER 31 days' notice. A penalty interest rate adjustment will apply to withdrawals before maturity. The notice period starts on the day you request withdrawal and funds will be credited to your nominated account on day 32, (or the next/following business day if day 32 is a non-business day).

The minimum early withdrawal amount for any Term Deposit is 50% of the deposit amount invested.

If you are experiencing extreme hardship and need your funds before maturity, please contact one of our branches.

Interest

Interest is calculated on the daily balance and paid at maturity for Fixed Term Deposits. Interest payable will be dependent on the amount invested and the term.

Interest is calculated daily on your Term Deposit using the simple interest formula:

Interest = amount invested x rate % per annum x number of days / 365

Example 1 – for illustrative purposes only:

You have lodged a 6 month Term Deposit of \$25,000.00 on 1 June at an interest rate of 3.00% per annum with interest payment at maturity.

The interest is calculated as follows:

- Interest earned on a deposit lodged on 1 June to mature on 1 December (183 days)
= \$25,000.00 x 3.00% x 183 / 365 = \$376.03
- Total interest earned at time of maturity is \$376.03

What are the key costs?

When investing in a Term Deposit you agree to invest your funds for a set period of time at a fixed interest rate. There are no account keeping fees to maintain this account.

Penalty Interest Rate

If you request to withdraw all or part of your funds prior to the maturity date of a fixed term, a penalty interest rate adjustment may apply.

Penalty interest rate adjustments do not apply to funds or accounts held in the name of a deceased account holder or in the name of a deceased account holder's legal personal representative.

The penalty interest rate adjustment applied to the current investment term elapsed. The penalty interest rate adjustment is calculated on the amount withdrawn as of the prepayment date and will apply even if the Term Deposit has not been paid any interest up to the date of prepayment.

The penalty interest rate to apply for early withdrawal of an amount held in a Term Deposit is 2.00% per annum. This penalty interest rate may vary – refer to the Fees and Charges Schedule.

Example 2 – for illustrative purposes only
Full prepayment

On 1 June, you have lodged a 183 day (approximately 6 month) Term Deposit of \$25,000.00 at an interest rate of 3.00% per annum with interest paid at maturity).

On 30 July, after 59 days (approximately 2 months) you provide a 31 days' notice request to withdraw the entire \$25,000.00 with funds to be available in your DNISTER account on 31 August.

Interest rate adjustment

Accrued interest payable = $\$25,000.00 \times 3.00\% \times 90 / 365$
= \$184.93

Penalty interest rate charge = $\$25,000.00 \times 2.00\% \times 90 / 365$ = \$123.29

Net interest payable on prepayment = \$61.64

Interest is calculated for the period of 90 days (59 days + 31 days) at your investment interest rate of 3.00% per annum. This amounts to \$184.93. This amount is reduced by the penalty interest rate adjustment amount of \$123.29, making an interest payment amount of \$61.64. The amount paid to you on the date of withdrawal is \$25,061.64 (i.e. the lodgement amount of \$25,000.00 plus the adjusted interest payment of \$61.64).

Note: When calculating interest adjustments, DNISTER will deduct the penalty interest rate adjustment amount from the amount being repaid to you on the date of withdrawal.

Where the interest rate on your investment is less than the penalty interest rate adjustment, DNISTER will deduct the penalty interest rate adjustment amount from the amount being repaid to you on the date of withdrawal.

Example 3 – for illustrative purposes only
Partial prepayment

Instead of withdrawing the full amount of the Term Deposit as in Example 2, you may wish to withdraw a partial amount. When you request a partial prepayment, you can choose to have:

- a) a specific prepayment amount, e.g. \$10,000.00, where the penalty interest rate adjustment amount is deducted from the Term Deposit balance remaining after prepayment; or
- b) a specific prepayment amount, e.g. \$10,000.00, where the penalty interest rate adjustment amount is deducted from the amount being prepaid.

Where no preference is stated, penalty interest rate adjustment amount is deducted from the balance remaining after prepayment.

The interest earned on the amount prepaid will be paid at the prepayment date.

Please refer to our latest Interest Rates Schedule – Term Deposits showing interest rates offered for various terms and amounts.

Fees and Charges

- No account keeping fees.
- Penalty Interest rate applies to early withdrawal of Term Deposit amounts.

Please refer to our latest Fees and Charges Schedule.

This may occur because you entered or selected a bank/State/branch (BSB) number or other identifier that does not belong to the intended recipient because you were advised of the wrong details or there has been an error in keying in the numbers.

A Mistaken Digital Payment does not include BPAY payments.

Where you have made a Mistaken Digital Payment, you must advise us as soon as possible or as soon as you become aware of the error, by phoning 1800 353 041.

If you advise us on the same day as the transaction, prior to the cut-off time, we may be able to return the funds on the same day.

If you advise us outside of this timeframe, we will investigate and liaise with the unintended recipient's financial institution to recover the funds.

We will endeavour to comply and ensure that the receiving financial institution complies with the ePayments Code in investigating and returning the funds to you. If you are not satisfied we or the receiving financial institution has complied with the ePayments Code you have the right to complain to us. Refer to Part 1 section 4 of this PDS for Complaints and Dispute Resolution.

Conditions binding

By signing the Digital Banking Application Form and/or by using Electronic Access you agree to these Terms and Conditions.

Cancellation of electronic access

You may cancel your Electronic Access at any time by giving us written notice.

We may immediately cancel or suspend your Electronic Access at any time for security reasons or if you breach these Terms and Conditions or the terms and conditions of your Account.

We may cancel your Electronic Access for any reason by giving you 30 days' notice. The notice does not have to specify the reasons for cancellation.

If, despite the cancellation of your Electronic Access, you carry out an Electronic Payment using an Access Method, you will remain liable for that Electronic Payment.

Your Electronic Access will be terminated when:

- We notify you that your Access Method or the Account with us has been cancelled;
- You close the last of your Accounts with us which has Electronic Access;
- You cease to be a member; or
- You alter the authorities governing the use of your Account or Accounts with Electronic Access (unless we agree otherwise).

Your liability for electronic payments

You are liable for all Electronic Payments carried out by you or by anybody carrying out a transaction with your consent, regardless of when the transaction is processed to your Account with us.

In circumstances where an unauthorised electronic transaction occurs on your account the following conditions of use will apply:

a. Your liability for unauthorised transactions that occur through Digital banking or where an access code was required to perform an unauthorised transaction, and other clauses in this PDS do not apply, will normally be limited to:

- \$150.00, or a lower figure determined by DNISTER;
- The balance of the account or facilities as agreed between you and DNISTER which can be accessed electronically using an access code (including the unused portion of any credit limit);
- The actual loss at the time we have been notified of the misuse, loss or theft of a device or breach of your access code security, excluding that portion of

the losses incurred on any one day which exceeds any relevant daily transaction or other periodic transaction limit;

whichever is the smallest amount.

b. You are not liable for any losses that occur through digital banking:

- where it is clear that you have not contributed to those losses;
- for any unauthorised operation that occurs before you have received notification of your password registration from us;
- that are caused by the fraudulent or negligent conduct of our employees or agents or a merchant or their agents;
- where a transaction has been incorrectly debited more than once to the same account;
- that is caused by a device, identifier or password which is forged, faulty, expired or cancelled; or
- resulting from unauthorised transactions occurring after you tell us that any of your codes have been misused, lost or stolen or have become known to someone else or with your previous password after you change it to a new password.

You will not be liable for any unauthorised transactions that occur through digital banking after you have given us notice that you no longer wish to use the service/s and we have confirmed in writing that your access has been cancelled.

c. You will not be liable for loss arising from an unauthorised transaction that can be made using an identifier without a password or device unless you unreasonably delay reporting the loss or theft of your identifier.

d. However, if we consider that we can prove on the balance of probability that you have contributed a loss through fraud, or to the unauthorised use because you, for example:

- recorded or indicated your password on any item that is liable to loss or theft;
- disclosed your password (including to a family member, friend or one of our staff);

- allowed someone else to use your password;
- did not sufficiently disguise your password;
- did not keep a record of the password record in a securely locked container;
- did not prevent unauthorised access to an electronically stored record of the password record;
- selected any of the password combinations detailed in this Part 5, under “Keeping your access methods safe”;
- allowed someone else to access your accounts by not logging off from digital banking;
- left a card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM; or
- have contributed to the unauthorised use by failing to immediately notify us of the unauthorised use of the password;

you will be liable for the actual losses that occur between the time you became aware of the security compromise or should reasonably have become aware in the case of a lost or stolen code or device and the time you advised us of the security compromise or loss of the code or device but you will not be liable for any losses which:

- exceed the balance plus any credit limit on the accounts you have access to using or for any portion of the losses incurred in any period that exceeds any applicable periodic transaction limit, including any applicable daily transaction limit, or which occurred on an account that was not agreed could be accessed using the device, identifier or password used to perform the transaction.

e. We are not responsible for the operation of any secure computer equipment, including Mobile Device, or electronic system you use to transact using the internet.

f. Nothing in these Terms and Conditions shall operate so as to exclude, restrict or modify the application of any of the provisions of the Competition and Consumer Act 2010, the Australian Securities and Investment Commission Act 2001 or equivalent state or territory legislation.

If you are responsible for a mistaken Electronic Payment and we cannot recover the amount from the person or company who received it within 20 Banking Business Days of us attempting to do so, you will be liable for that payment.

You indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you did not observe any of your obligations under the Terms and Conditions or acted negligently or fraudulently under this agreement.

If you notify us that an Electronic Payment made from your account is unauthorised, you must provide us with a written consent addressed to the Biller who received that Electronic Payment allowing us to obtain information about your account with that Biller as is reasonably required to investigate the payment. If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that Electronic Payment.

Notwithstanding any of the above provisions your liability will not exceed your liability under the ePayments Code.

- Any breakdown or interruption in the Access Method due to circumstances which are not under our direct control;

- Reverse any erroneous entry to your account caused by the malfunction or error without prior notice to you;
- Refund any charges or fees imposed as a result; and

BPAY®

Important

These Terms and Conditions will govern your access to BPAY®. It is therefore important that you read these Terms and Conditions carefully before you use BPAY®.

If you access BPAY® then you will be taken to have read, understood and accepted these Terms and Conditions. Upon such use, these Terms and Conditions apply to every BPAY® payment on your account and you will be legally bound by them.

Using BPAY®

DNISTER is a member of BPAY® and we will tell you if we are no longer a member of BPAY®.

BPAY® can be used to pay bills bearing the BPAY® logo. We will advise you if and when other transactions can be made using BPAY®.

Unless you are advised otherwise, you may use BPAY® only to make payments from the nominated accounts that are linked with BPAY® access.

We will debit the value of each BPAY® payment and any applicable fees to the Account from which the relevant BPAY® payment is made.

If you instruct us to make any BPAY® payment, but close the Account to be debited before the BPAY® payment is processed, you will remain liable for any dishonour fees incurred in respect of that BPAY® payment and we may exercise our rights of set-off.

You acknowledge that third party organisations (such as Billers or other financial institutions) may impose additional restrictions on your access to and use of BPAY®.

You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and that Biller.

Processing of BPAY® payments

You should notify us immediately if you think you have made a mistake other than a mistake in the amount you meant to pay.

In some circumstances, your BPAY® payment instructions may be reversed.

You must be careful to ensure you tell us the correct amount you wish to pay. If you make a BPAY® payment and later discover that:

- The amount you paid was greater than the amount you needed to pay, you must contact the Biller to obtain a refund of the excess; or
- The amount you paid was less than the amount you needed to pay, you can make another BPAY® payment for the difference between the amount you actually paid and the amount you needed to pay.

If we receive your direction before 3:00pm Melbourne time on a business day, a BPAY® payment is treated as received by the biller to whom it is directed on the date you direct us to make it, or otherwise, on the next business day after you direct us to make it.

Notwithstanding this, a delay may occur processing a BPAY® payment if:

- There is a public or bank holiday on the day after you instruct us to make the BPAY® payment;
- You tell us to make a BPAY® payment on a day which is not a Banking Business day or after the Cut Off Time on a Banking Business Day;
- A biller, or another financial institution participating in
- If we are advised that your payment cannot be processed by a Biller, we will:
 - Advise you of this;
 - Credit your account with the amount of the BPAY® payment; and
 - Take all reasonable steps to assist you in making the BPAY® payment as quickly as possible.

Future-dated payments

You may arrange BPAY® payments up to ninety days in advance of the time for payment. If you use this option you should be aware that:

- You are responsible for maintaining, in the account to be drawn on, sufficient cleared funds to cover all future-dated BPAY® payments (and any other drawings) on the day(s) you have nominated for payment.
- If there are insufficient cleared funds, the BPAY® payment will not be made and you may be charged a dishonour fee.
- You are responsible for checking your account transaction details or account statement to ensure the future-dated payment is made correctly.
- You should contact us if there are any problems with your future-dated payment.
- You must contact us if you wish to cancel a future-dated payment after you have given the direction

but before the date for payment. You cannot stop the BPAY® payment on or after that date.

BPAY® transaction limits

Unless otherwise agreed in writing, DNISTER may apply a daily transaction limit to transactions conducted using BPAY®.

Refusing BPAY® payment directions

You acknowledge and agree that:

- We may refuse for any reason to give effect to any direction you give us in respect of a transaction to be made via BPAY®;
- We are not liable to you or any other person for any loss or damage which you or that other person may suffer as a result of such refusal; and
- If an Account from which the BPAY® payment is made has insufficient funds we may dishonour the BPAY® payment direction and/or we may set off your BPAY® liabilities against any other account you have with us BUT this does not affect our rights to dishonour the BPAY® payment direction.

PayID

You do not have to have a registered PayID.

By registering a PayID through Dnister you accept the terms and conditions set out in this PDS and the Digital Banking Application – Conditions of Use.

PayID Type means a piece of recognisable and memorable information that can be linked to a financial account to create a PayID. PayID Types include phone number, email address, Australian Business Numbers and other organisational identifications.

When you direct an Osko Payment to a PayID connected to a joint account, other account holders may be able to see the messages and notifications associated with the Payment. Similarly, depending on the settings you choose for your PayID, other account holders on your account may be able to see messages and notifications associated with Payment.

When initiating a transaction, you might direct the transaction to an incorrect account if you get a PayID wrong. To try to avoid this, we will ask you to verify that you have the right PayID. We will do this by presenting you with the associated PayID Name as an additional confirmation of the intended recipient before you submit a transaction. Failing to take reasonable steps to ensure you are sending the money to the correct account including reviewing the PayID name prior to authorising your payment, may increase your liability if misdirected funds cannot be subsequently recovered.

In order to better provide you with the services under Osko, we may retain certain information relating to PayIDs you use. For example, we may retain information relating to PayIDs you provide us in order to facilitate scheduled payments. Refer to Section 5 Privacy and Confidentiality of this PDS for more information on how we collect, use, handle and store Personal Information such as PayIDs.

Creation and Maintenance of your account PayID

- Members can register a PayID for making and receiving Osko Payments via Digital Banking.
- Members are able to open more than one PayID for each account. For example, a joint account may have two unique PayIDs attached to the one account.
- Once a PayID is opened and linked to your account it may not be used in relation to any other account.
- The PayID service does not support duplicate PayIDs. Should you try to create a PayID is already in existence you will receive an error message.
- Members can transfer your PayID from one Financial Institution to another.
- Members have the ability to modify a PayID type.
- The transfer of your PayID to another financial institution is completed by that financial institution. If the other financial institution does not complete the transfer, the PayID will remain with your account.
- Dnister monitors PayID use to manage fraud. You acknowledge and consent to us disabling your PayID if we reasonable suspect your PayID is used to procure fraudulent payments.

Eligibility requirements

You can register for a PayID and access to Osko credit payment. Should you require to use Osko to make a debit payment then you will need to register for the digital banking service.
