Please note:

- a) These splits will stay in effect and will only be altered by your written consent.
- b) Employers may change their supplier numbers without notification to employees and financial institutions. As a result this will cancel established splits. Any credits that are received with a different supplier number will be automatically credited to the Everyday Access account. It is the member's responsibility to notify Dnister if this is the case.
- c) We strongly advise that you check your accounts on a regular basis to ensure that all payroll splits are distributed as instructed by you.

Please forward the **completed and signed application to Dnister** by mail.
